We are hungry!

One day afternoon, Mary and Susie are at home. They want to eat some sandwiches because they are hungry. Susie says, "Let's make some sandwiches." "Good idea!" replies Mary.

Then, they go to the kitchen. They look in the fridge. "Is there any pork?" asks Susie. "Yes, there's some pork that we left in the fridge," says Mary. Susie says, "Is there anything else?" Mary answers, "Yes, there is some cheese and butter." "But is there any bread?" asks Susie. "No, there isn't any bread," answers Mary. They are so disappointed. Susie says, "We can't make sandwiches now."

In the end, Susie and Mary go to a bakery to buy some bread. Finally, they can make sandwiches. They are very happy.

My Favourite Dish

My favourite dish is a hamburger. I like it because it is yummy. There are vegetables, buns, tomatoes, sauce, cheese, eggs, and a hamburger steak in a hamburger. It is salty and tasty.

I usually eat hamburgers at McDonald's. I eat them at lunchtime on weekends. I always eat them with Mum and Dad.

The hamburger originated in the USA, but people around the world love it. I love my favourite dish.

My Easter Holiday

The holidays are coming, and I am interested in joining FunFun Holiday Camp. There are three camps for me to choose from - Music Camp, Sports Camp, and Chinese Chess Camp.

I don't want to go to Sports Camp because I'm not good at sports. I can't play football, basketball, or table tennis. I want to go to Music Camp because I'm good at music. I can play the piano and the guitar, and I enjoy doing drama. Chinese Chess Camp also seems interesting. I can play board games and UNO, but I can't play Chinese chess or Chinese checkers.

I think I will join Chinese Chess Camp because I want to learn how to play Chinese chess and Chinese checkers.

Sunny

Today was Grandpa's birthday. I went to Lamma Island with my family. We were excited. I said, 'Yay, it's my first time on the ferry!'

It was two o'clock in the afternoon. We went to the beach. Dad swam in the sea, Mum was resting under a tree reading books, and I built a sand castle to show Grandma and Grandpa. We were relaxed.

It was seven o'clock in the evening. We went to a Chinese restaurant. We ate some seafood. I gave Grandpa a gift and said, 'Happy birthday, Grandpa. This gift is for you.' It was a pair of glasses. He said, 'Thanks, my granddaughter!' I was happy.

In the end, Dad took out a birthday cake. Dad (or: Someone else) said, 'Let's sing a birthday song!' We sang a song and ate the cake. It was delicious! We were very happy. What a wonderful day!
