Then, they go to the fridge. 'Is there any ham?' says Mary. 'Yes, there is some ham,' says Susie. 'Are there any vegetables?' says Mary. 'No, there aren't any vegetables,' says Susie. 'Is there any cheese?' says Mary. 'Yes, there is some cheese,' says Susie. 'Is there any bread?' says Mary. 'No, there isn't any bread,' says Susie. 'Oh no! My Choice for Fun Fun Holiday Camp

The holidays are coming, and I am interested in joining Fun Fun Holiday Camp. There are three different camps to choose from: Sports Camp, Chinese Chess Camp and Music Camp.

I want to go to Music Camp because I'm good at Music. I can play the piano but I can't play the guitar. So, I want to learn the guitar in the camp.

I don't want to go to sports Camp because I'm not good at sports. I can't play table tennis or badminton.

Chinese Chess Camp also seems fun. I can't play Chinese chess but I can learn how to play it!

In conclusion, I will join the Chinese Chess Camp and Sports Camp because I want to learn how to play table tennis, badminton and Chinese chess.

Saturday Sunny

25th April, 2026

Today was Saturday. It was Grandpa's 60th birthday, so we went to Lamma Island to celebrate. We all felt excited!

First, we went to the beach to play. Grandma, Grandpa and I built a big sandcastle. Mum was resting and reading a book under the tree while Dad was swimming in the sea.

Then, we went to a Chinese restaurant to eat seafood. We ate salmon, vegetables, chicken, beef and shrimp. They were tasty! When we were done eating, I gave Grandpa a gift. He was very happy.

Finally, we went back home by ferry. We saw a beautiful view and I hope we can all have fun together next time.

My Easter Holiday

Today was Saturday. My family and I went to Shenzhen to play. We all felt really excited!

First, we went to North Centre to go shopping. We bought candy, a model gun and nuts. After that, we went back home. My dad and I were building the model gun while Mum was watching TV.

On the next day, we went to a cinema to watch a movie. The movie was called 'Hoppers'. We ate some caramel popcorn.

In the meantime, we rented a car and drove to Shenzhen Zoo. It was really big. We saw elephants, lions, monkeys and more! We could feed tigers too. We were in a truck to feed them. They looked angry and aggressive, so I was really scared!

In the end, we had to go back home. It felt sad because we had to leave. I hope I can come back next time to this amazing place.
