My choice for transportation in Hong Kong

Hong Kong is a busy place. There are many transportations in Hong Kong. Three popular options are bus, taxi and ferry.

The first transportation is bus. I like travelling by bus because it is extremely cheap and comfortable. The price is just around \$2-4 dollars. It is comfortable because there is air conditioning. Although travelling by bus is cheap and comfortable, it's crowded.

The second transportation is taxi. I dislike travelling by taxi because it is so expensive. Although travelling by taxi is expensive, it's comfortable.

The third transportation is ferry. I enjoy travelling by ferry because it is convenient. Also, the view is beautiful. Although we can look at the view, it's slow.

To conclude, I prefer taking the bus because its advantages outweigh its disadvantages. It only costs a little and it is comfortable.

Tommy and Bella

Last Sunday, Tommy and Bella and their dog, Max, were at home. They played messily in the living room. Mum stepped on a toy car and fell down. She was mad at Tommy and Bella.

Mum requested, 'Please put all the toys in the box!' Tommy and Bella were upset.

They started to quarrel with each other. 'You do it!' Tommy yelled. 'No, you should do it!' Bella shouted.

Mum stopped them and talked to them patiently, 'You shouldn't quarrel with each other.' Tommy and Bella felt bad and said sorry to Mum. They cleaned up the mess together.

We should be considerate and respectful to the people around us at all times.

In the restaurant, we should eat neatly and quietly. If you don't eat quietly, then you will disturb others. If you don't eat neatly, you will make the table dirty. When we talk in the phone, we should speak calmly because if we don't, we will annoy other people, so we shouldn't talk noisily.

On public transport, we shouldn't push people because people will get hurt. When we talk to people, it is a must to talk to people respectfully.

We should always behave well in public places! You can be nice too!

Watching a movie

On a Saturday evening, Anna and her dad wanted to watch a film. It called Minion. My friend told her that it was very funny. They lined up patiently to buy tickets to enter the theatre. Anna said, ‘ I’m so excited to watch the film!’ I have been waiting till this day! I hoped what my friend said was true! And by the way, thanks dad for buying the tickets!’

Next, Anna saw a big white balloon lying on the floor. Anna whispered, ‘Whose balloon is this?’ ‘I think it belongs to the boy with curly hair and he is crying,’ dad replied confidently.

Then, dad pointed at the boy with curly hair. Anna said,’ Oh! I know now!’ ‘So you should give it back to him!’ dad replied,

After Anna walked to him, Anna said,’ Here’s your balloon!’ Thank you so much for giving it back!’ the boy replied.

In the end, Anna and her dad finally sat down and watched the movie peacefully. ‘It was a long day! I hope the boy won’t cry again!’ Anna said quietly in the theatre.

An unforgettable day in Disneyland

One day, Sue wanted to go to Hong Kong Disneyland. Sue said, 'Have you ever been to Hong Kong Disneyland?' Amy said, 'No.' Sue added, 'Let's go now.' They were over the moon.

Then, Sue and Amy went to Hong Kong Disneyland last Sunday. They took photos with Piglet. Also, they went shopping in the gift shop. They bought the little Piglet doll. They were very thrilled.

However, she lost her mobile phone. She was so worried that she wouldn't be able to find her phone again. Sue then said, 'Let's find it!' It must be somewhere else!' Sue thought for a while and asked Amy, 'We just got off the MTR, will it be there?'

In the end, Amy went to MTR station and looked for her phone. A woman came and realised that they were finding the phone. Then, the woman showed them the phone and said, 'Is it your phone?' They were very lucky. Amy learnt that she should take good care of her mobile phone. What an unforgettable day.

A piece of news I will never forget

Yesterday, I heard a news report about shoplifting when I was eating dinner. I was very scared.

On Thursday at 4:30 p.m., a man sneaked into a restaurant. The people were eating. Some of them saw the crime. They were nervous. They did not speak a word.

Then, the robber got \$1000 dollars from the check out counter. One of the women called the police secretly. I thought the woman was very brave! I was so proud of her.

In the end, the policemen caught the shoplifter in a tall building. He was hiding because he was scared. I was happy because he got caught. I learned that we needed to be brave and report crime to the one that we believe.
