Naughty Bella and Tommy

Last afternoon, Bella and Tommy were playing happily at home. All the toys were scattered on the floor. Their dog, Lucky, bit a doll and ran around at home. When Mum returned home, she was tripped by a toy car on the floor. Mum yelled, "What happened?"

After that, Mum was angry and shouted at them, "Tidy up the messy home and put the toys in the box!" They felt sorry. Then, Bella and Tommy didn't want to tidy up and they quarreled with each other. Tommy sad loudly, "You should do it!" Bella shouted angrily, "No, you should do it!"

In the end, Mum scolded at them, "Both of you should love and respect each other. You should not quarrel." They obeyed their mother's order and said sorry to each other.

Happy Birthday

One day, Sam and his sister May put on a birthday party for their mum. Sam wrote down what they needed to be done first. Then he assigned some tasks to May. Sam said, "You go to tidy the living room and write a birthday card. I go to buy snacks, drinks and a birthday cake." May said, "Okay! I am looking forward to seeing my mother at night." They felt excited.

After that, Sam bought some snacks and drinks. There were potato chips and cookies. Next, Sam called May and asked, "Have you written the birthday card yet?" May answered, "Yes, I have just written the card and I have already tidied the living room. Have you bought snacks and drinks yet?" Sam replied, "Yes, I have just bought snacks and drinks."

When Mum came home, they started the birthday party. They felt very happy. Mum said, "Oh my god! I never thought you would prepare a birthday party for me. I am so excited!" Sam, May and dad said, "Happy birthday!" May suddenly asked Sam, "Did you buy a birthday cake?" "Oh no! I forgot!" shouted Sam sadly.

In the end, Sam said, "Sorry, I forgot to buy the cake." Mum said, "It doesn't matter. I forgive you." Then dad said, "Actually, I bought a birthday cake." They were all surprised. Then mum blew out the candles and then they ate cake together. They celebrated Mum's birthday happily.

An unforgettable day in Disneyland

One day, Sue asked Amy, 'Have you ever been to Disneyland?' 'No, I've never been there.' Amy replied, 'Let's go to Disneyland. It will be fun!' said Sue. 'Ok!' said Amy. They jumped for joy.

Last Sunday, Sue and Amy went to Disneyland. First, they took some photos in front of the castle with Amy's phone. They rode on the roller coaster and took Ferris wheel. Lastly, they went to the gift shop to buy some souvenirs for their parents. They were excited.

In the evening, the girls left Disneyland happily. They took the train home. Suddenly, Amy exclaimed, 'Oh no! Where is my phone? It is very precious!' Sue asked, 'Where did you lose it?' Amy cried, 'I think I left it at the gift shop!' 'Don't worry.' said Sue. 'Let's call the Lost And Found to check if someone found it.' Sue called the Lost And Found of Disneyland. A helpful staff told her that a man had found Amy's phone and handed it to the center. The girls quickly returned to Disneyland and picked up the phone. Amy learned a lesson that she would never lose her phone again.

One day, Sue wanted to go to Disneyland so she asked Amy, “Have you ever been to Disneyland?” Amy said, “No, I have never been there.” Sue said, “OK! Let’s go there together!” They were excited.

Last Sunday, they went to Disneyland in Hong Kong. They took photos. They rode on the rides and bought some gifts in a gift shop.

On their way home, Amy yelled, “Where is my mobile phone?” Sue answered, “I think you dropped your phone in Disneyland.” Amy was very nervous that she lost her phone.

When they wanted to get out of the train to find Amy’s phone, someone saw Amy’s phone. He asked, “Is it your phone?” Amy replied, “Yes! It is my phone! Thank you!” Amy and Sue were glad and happy that they could find it. Amy learned a lesson that she should keep her things carefully.

My favourite transportation in Hong Kong

There are a lot of transportation in Hong Kong. For example, MTR, Light Railway and ferry.

The first transport is Light Railway. People can travel with their pets at weekends.

Although it is fast and cheap, it has a few seats only.

The second transport I want to talk is MTR. Travelling by MTR is convenient but it is very crowded at all times.

The third one is the sea transport, ferry. When we travel by ferry, we can watch the amazing view. However, it is slow and has no air-conditioning.

My favourite transport is the Light Railway. I can take my lovely dog Joey to Yuen Long Park, Tuen Mun Beach and Tin Shui Wai Wetland.

Yesterday, I heard a news report about a robbery that I will never forget. There was a robbery at the branch of the Hang Seng Bank on Yee Wo Street in Causeway Bay. It's excessive. I felt mad when I saw the news report.

On Thursday afternoon, one man ran into the bank with a mask and a knife. The man handed a note to a bank teller demanding HK\$100000 and claimed that he was armed with a knife. Then the bank teller was very scared and triggered the alarm. I was shocked when I saw this news report.

When the loud alarm started ringing, many people were shouting and looking at him. I was worried about the bank teller.

In a short time, the police arrived. The police were chasing the robber and caught him on Yee Wo Street. It was an exciting afternoon in Causeway Bay. I learnt a lesson that I should stay calm when I see a robbery.
