

Jone's Bad Day

It is seven thirty in the morning. Jone and Mum are at home. Jane gets up late. Mum shouts, 'Time for school!' Jane feels unhappy.

Then, Jane quickly wears her school uniform. Mum says, 'Have some breakfast!' Jane doesn't take all the books. Mum says, 'Jane, you forgot to take the books!' Jane says, 'Oh no, I am late for school!'

In the end, they find out it is the fifth of June. There is no school. Mum says, 'We made a mistake.' They go to the park and chat with their friends. They are happy.
