A Misunderstanding

One day, Tim saw a lady. She was opening his neighbour's window. 'Who's the lady in the black T-shirt, jeans and with the sunglasses?' After a minute, he thought, 'Oh no! Maybe she is a thief!' He felt very scared.

Then, Tim called the police. He talked loudly and quickly, 'There is a thief opening my neighbour's window. She is breaking into my neighbour's house. She has a knife. She attempts to steal money. Here is 10 Baby Street, Cheung Sha Wan, Kowloon, Hong Kong. Please come hurry and help us.' A policeman replied politely, 'Ok! We will come there in five minutes and we will catch the bad lady.' After that, there were a lot of policemen standby outside Tim's building. The policeman tried to find some witnesses.

They caught the lady and asked loudly, 'What are you doing?' She felt very surprised and replied, 'I don't know! What happened?' They said, 'Someone suspected that you are a thief!' She said loudly, 'Oh! You are Tim!' Tim saw the lady without the sunglasses. 'You are my neighbor, Ada!' She said, 'I just forget to bring my key so I climb into my flat through the window.'

Tim thought, 'I was such a fool! He felt sorry.'

A Helpful Day

Last week, Anna wanted to watch a movie. The movie was about Pokémon so she went to the cinema with her dad. They were queuing up patiently to buy two tickets. They felt excited.

Then Anna saw a green balloon. She asked softly, 'Why is the balloon on the floor? Whose balloon is this?' Her dad pointed at a boy and replied, 'I think this balloon is his!'

Anna asked again, 'Which boy?' 'There are two boys playing with each other. That boy is behind them. He is the boy with the curly hair and in the red T-shirt. Oh! He is crying now!' said Dad. 'I know! We should help him.' Said Anna. She felt very worried.

Anna gave the balloon to little child. He stopped to cry and he said loudly. 'Thank you!' I asked him, 'Where is your mother?' He pointed to a lady and said, 'That is my mum!' After that, he found his mother and left. Then they bought the tickets, and went to watch the movie. They felt very happy because they helped other people.
