

Helpers for the charity fun fair

Last Saturday, Amy and her sister Penny were at Rainbow Children's Centre. They saw a poster on the wall which was about helpers for the charity fun fair. They wanted to be the helpers for the charity fun fair.

However, neither Penny nor Amy could make cakes or cookies. Amy asked, 'Penny, do you know how to cook?' Penny replied worriedly, 'I don't know how to cook. How about you?' Amy answered, 'I don't know how to cook either. Let's find Mrs Chan to teach us how to cook.' Penny replied, 'Good idea!' Then they got away to find Mrs Chan.

After a while, Amy and Penny found Mrs Chan. Mrs Chan asked, 'What's happening?'

Penny answered, 'Neither Amy nor I can cook well. But we want to be the helpers of the charity fun fair.' Mrs Chan replied, 'I can teach you how to cook.' Penny and Amy said excitedly, 'Thank you Mrs Chan!'

Finally, Penny and Amy learned how to cook, and they made a lot of cupcakes of different flavours such as chocolate flavour and lemon flavor. And they shared some cakes with Mrs Chan. They raised a lot of money for charity so they were over the moon.
