

The star pupil

Ken Wong is the Star Pupil. He studies in Class 2C. He is 8 years old.

Ken is a helpful, honest and hardworking student. Ken usually helps the teacher carry the homework and when he breaks something, he doesn't tell lies. He only tells the truth. He sweeps the floor, feeds the dog and he is always hardworking at home.

On Sundays, he goes to church with his family and he goes to visit his grandma and grandpa. On Mondays, he studies with his tutor.

I want to be a star pupil because to be one, you have to be good like Ken. If I want to be one, I need to be good too! I learned from Ken that we need to be nice, good and kind.
