

Tidy up the messy room

Bella and Tommy were playing messily. One afternoon, Bella and Tommy fought with each other on toys. When Mum got in, she stepped on the toys and fell down. Mum shouted, 'Ouch!'

Mum was angry. She shouted, 'You two should tidy up the toys. Then put in the box!' Bella and Tommy felt afraid. They did not want to tidy up the toys. Then they angrily said, 'You do it.'

In the end, Mum said, 'You two can tidy up the toys together.' We said, 'OK.' They felt happy.

Tim saw a woman in a black-shirt with sunglasses. Tim thought she was a thief.

Tim called the police because she was a thief, the police received Tim's call then the police went to the house immediately.

The police caught the thief, but she wasn't a thief. She was Tim's neighbor. The neighbour said, 'I forgot to bring the key.' And Tim said, 'Oh no! She is my neighbour.'

In the end, Tim went to his neighbor's home and said, 'Sorry. I didn't know that you are not a thief since you look like a thief.'

5A Classroom Rules

Be quiet!

We will be quiet in class.

Listen to teachers.

We will listen to teachers in class.

Share with others.
